

Abbas Kamali

Vice Chairman of the Board of Directors and Executive and Support Manager

🔗 About Me:

- Has 28 Years of Executive Experience in the Oil, Gas, Petrochemical and Power Plant Industries in the National and International Fields.

📖 Education:

Mechanical Engineering Expert.

🔗 Career History in Iran:

1. Mechanical Expert.

Mashhad Power Plant.

➡ Between 1991 and 1999.

2. Mechanical Expert.

Khorasan Regional Electricity Company.

➡ Between 1999 and 2001.

3. Manager of Executive & Support Group .

Natan Company.

➡ Between 2001 and 2008 .

4. Manager of Executive & Support Group.

Mabnatouss Company.

➡ From 2008 Until Now.

5. Vice Chairman of the Board of Directors.

Mabnatouss Company.

➡ From 2009 Until Now.

🌟 Courses & Certificates:

1. Professional Course.

Vibration Analysis & Equipment Troubleshooting.

➡ Between 1999 and 2001.

2. Professional Course.

Maintenance of industrial facilities and equipment.

➡ Between 2021 and 2022.

🔗 Projects:

1. Annual & Overhaul (4 Cases).

Isfahan Mobarake Steel Complex & Kerman Power Plant.

➡ Between 2009 and 2023 | Executive Director and Support.

2. Overhaul of Steam Units (8 Cases).

Karaj, Mashhad and Shariati Power Plants.

➡ Between 2009 and 2012 | Executive Director and Support.

3. Overhaul of Gas Units of Power Plant (10 Cases).

Neishabour & Shariati Power Plants.

➡ Between 2009 and 2013 | Executive Director and Support.

4. Preventive Maintenance (2 Cases).

Steam Units of Neishabour Combined Cycle Power Plant.

➡ Between 2011 and 2012 | Executive Director and Support.

5. Transmission, Installation and Operation of Gas Turbine.

From Zahedan Power Plant to Dourod Power Plant

➡ Between 2016 and 2018 | Executive Director and Support.

6. Overhaul of Steam Unit.

Steam Unit of Shirvan Combined Cycle Power Plant.

➡ Between 2024 and 2025 | Executive Director and Support.

7. Overhaul of Gas Turbine (V94.2).

Gas Units of Kerman & Isin Combined Cycle Power Plant.

➡ Between 2021 and 2022 | Executive Director and Support.

8. Overhaul of Steam Units.

Steam Units of Yazd Power Plant.

➡ Between 2019 and 2020 | Executive Director and Support.

9. Overhaul and Rotor Integration Services.

Turbocompressors of Qaen Gas Power Plant.

➡ Between 2020 and 2021 | Executive Director and Support.

10. Repair and Reconstruction of Hot Path Equipment of Gas Turbines (12 Cases).

Gas Turbines of Neishabour Power Plant.

➡ Between 2007 and 2017 | Executive Director and Support.

11. Overhaul of Turbine & Generator (6 Cases).

Sofian and Lushan Power Plant.

➡ Between 1392 and 1402 | Executive Director and Support.

12. Overhaul of Steam Units (2 Cases).

Steam Units of Shariati & Neishabour Power Plant.

➡ Between 2016 and 2017 | Executive Director and Support.

Abbas Kamali

Vice Chairman of the Board of Directors and Executive and Support Manager

13. Overhaul of 4 Sets of Gas Turbine and Supply & Reconstruction of Equipment of Gas Turbine.

Gas Transmission Operation District 5 (Noor Abad Gas Pressure Boosting Facilities).

➔ Between 2024 and 2025 | Executive Director and Support.

14. Repair & Overhaul of Gas Units (16 Cases).

Gas Units of Neishabour, Shariati, Mashhad, Karaj and Bandar Abbas Power Plants.

➔ Between 2007 and 2013 | Executive Director and Support.

15. Overhaul of Gas Turbine and Reconstruction of Hot Path Equipment of Gas Turbine (2 Cases).

Gas Transmission Operation Districts 2 and 5 (Pataveh and Farashband 1&2 Gas Pressure Boosting Facilities).

➔ Between 2017 and 2018 | Executive Director and Support.

16. Overhaul of Mechanical & Stationary Facilities.

Facilities & Equipment of Fajr Jam Gas Refinery.

➔ Between 2022 and 2024 | Executive Director and Support.

17. Overhaul of Gas Units (7 Cases).

Gas Units of Neishabour & Shariati Plant.

➔ Between 2010 and 2014 | Executive Director and Support.

18. Overhaul of Steam Turbines (11 Cases).

Steam Units of Power Plant (Elin & Skoda).

➔ Between 2007 and 2011 | Executive Director and Support.

19. Overhaul of Gas Turbines (24 Cases)

Gas Units of Mashhad, Shariati, Neishabour, Isfahan, Kashan, Zahedan, Konarak, Boushehr, Dourod and ... Power Plants.

➔ Between 2010 and 2024 | Executive Director and Support.

20. Overhaul of Steam Turbines (10 Cases)

Steam Units of Neishabour, Mashhad, Shariati, Lushan and ... Power Plants.

➔ Between 2015 and 2024 | Executive Director and Support.

21. Operation & Maintenance (5 Cases).

Steam & Gas Units of Mashhad, Shariati and ... Power Plants.

➔ Between 2007 and 2011 | Executive Director and Support.

22. Overhaul of Gas Turbine.

Gas Transmission Operation District 2 (Pataveh Gas Pressure Boosting Facilities).

➔ Between 2021 and 2022 | Executive Director and Support.

23. Overhaul of Gas Turbine and Reconstruction of Hot Path of Gas Turbine.

Gas Transmission Operation District 5 (Farashband Gas Pressure Boosting Facilities).

➔ Between 2021 and 2022 | Executive Director and Support.

24. Overhaul of Steam Units (2 Cases).

Steam Units of Zarand Power Plant.

➔ Between 2021 and 2023 | Executive Director and Support.

25. Overhaul & Preventive Maintenance (2 Cases).

Gas Units of Kerman Combined Cycle Power Plant.

➔ Between 2024 and 2025 | Executive Director and Support.

26. Overhaul of Electro Motors.

Steam Units of Sahand Power Plant.

➔ Between 2021 and 2022 | Executive Director and Support.

27. Operation & Maintenance (6 Cases).

AEG Units of Khayr Khane - Kabul Afghanistan.

➔ Between 2010 and 2013 | Executive Director and Support.

28. Annual Repair & Overhaul (2 Cases).

Steam & Gas Power Plant of Isfahan Mubarak Steel Complex.

➔ Between 2010 and 2014 | Executive Director and Support.

29. Overhaul of Steam Turbine (6 Cases).

Neishabour Combined Cycle Power Plant.

➔ Between 2008 and 2011 | Executive Director and Support.

30. Overhaul of Steam Turbine (4 Cases).

Power Plants of Isfahan Mobarakeh Steel Complex.

➔ Between 2017 and 2019 | Executive Director and Support.

31. Repair of Boiler (4 Cases).

Power Plants of Isfahan Mobarakeh Steel Complex.

➔ Between 2017 and 2019 | Executive Director and Support.

32. Overhaul of Gas Turbine and Reconstruction of Hot Path Equipment of Gas Turbine (8 Cases).

Gas Transmission Operation Districts 5.

➔ Between 2019 and 2022 | Executive Director and Support.
